## SUMMARY

A motivated and passionate Junior Software Developer with a solid foundation in **Java**, **JavaScript**, **HTML**, **CSS**, and **JavaScript**. I have hands-on experience building responsive websites and creating user-friendly interfaces. I am currently enhancing my skills in Full Stack Web Development and have a good understanding of front-end technologies, along with a working knowledge of database management. Eager to contribute to a collaborative team, solve real-world challenges, and grow in a dynamic environment.

This summary highlights y
